IMPORTANT INFORMATION

TIME AND PLACE OF MEETING

Notice is given that the Annual General Meeting of the Shareholders, to which this Notice of Annual General Meeting relates, will be held at 11:30am EST on 17 November 2014 at Level 11, 151 Macquarie Street, Sydney NSW 2000.

YOUR VOTE IS IMPORTANT

The business of the Annual General Meeting affects your shareholding and your vote is important.

VOTING ELIGIBILITY

The Directors have determined, pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth), that the persons eligible to vote at the Annual General Meeting are those who are registered Shareholders at 11:30am EST on 15 November 2014.

VOTING IN PERSON

To vote in person, attend the Annual General Meeting at the time, date and place set out above.

VOTING BY PROXY

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of Condoto Platinum NL; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the members' votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

New sections 250BB and 250BC of the Corporations Act came into effect on 1 August 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this General Meeting. Broadly, the changes mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes is set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of Condoto Platinum NL members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

Dated: 8 October 2014

By Order of the Board

Jay Stephenson
COMPANY SECRETARY

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

1. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

1.1 General

The Corporations Act requires that at a listed company's Annual General Meeting, a resolution that the remuneration report be adopted, must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

1.2 Voting consequences

Under changes to the Corporations Act, which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders, to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report, and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second Annual General Meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting, those persons whose election or re-election as directors of the company is approved, will be the directors of the company.

1.3 Previous voting results

At the Company's previous Annual General Meeting, the votes cast against the remuneration report considered at that Annual General Meeting, were more than 25%. Accordingly, the Spill Resolution will be relevant for this Annual General Meeting, if at least 25% of the votes cast on the Remuneration Report resolution are voted against adoption of the Remuneration Report. Refer to Resolution 9 for further information.

1.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy

You must direct your proxy how to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority, if a poll is called on this Resolution.

If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member).

You ***do not*** need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, you ***must mark the acknowledgement on the Proxy Form to expressly authorise the Chair to exercise his/her discretion in exercising your proxy, even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.***

If you appoint any other person as your proxy

You ***do not*** need to direct your proxy how to vote on this Resolution, and you ***do not*** need to mark any further acknowledgement on the Proxy Form.

2. RESOLUTION 2 AND 3 – RE-ELECTION OF DIRECTORS

Clause 11.3 of the Constitution requires that one-third of all Directors (other than the Managing Director) must retire by rotation at an Annual General Meeting. A Director who retires under clause 11.3 of the Constitution, is eligible for re-election. Mr Andrew Johnstone retires in accordance with clause 11.3 of the Constitution and, being eligible, seeks re-election.

Clause 11.6 of the Constitution states, that a Director may at any time be appointed, either to fill a casual vacancy, or as an addition to the existing Directors, but so that the total number of Directors does not at any time exceed the maximum number specified by the Constitution. Any Director so appointed holds office only until the next following Annual General Meeting and is then eligible for re-election. Mr Nicholas Raffan retires in accordance with clause 11.6 of the Constitution and, being eligible, seeks re-election.

RESOLUTION 4 – APPROVAL OF 10% PLACEMENT CAPACITY

4.1 General

ASX Listing Rule 7.1A provides, that an Eligible Entity may seek Shareholder approval at its Annual General Meeting, to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**).

The Company is an Eligible Entity.

If Shareholders approve Resolution 4, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in Section 4.2 below).

The effect of Resolution 4 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 4 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 4 for it to be passed.

4.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A came into effect on 1 August 2012 and enables an Eligible Entity to seek shareholder approval at its Annual General Meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (i) is not included in the S&P/ASX 300 Index; and
- (ii) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$1.35 Million.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$7.06 million.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has one class of Equity Securities on issue, being the Shares (ASX Code: CPD).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A, will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of Shares on issue 12 months before the date of issue or agreement:
- (A) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
 - (B) plus the number of partly paid shares that became fully paid in the previous 12 months;
 - (C) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval; and
 - (D) less the number of Shares cancelled in the previous 12 months.
- D** is 10%.
- E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue, that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

4.3 Technical Information Required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 4:

(i) **Minimum Price**

The minimum price, at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (E) the date on which the price, at which the Equity Securities are to be issued is agreed; or
- (F) if the Equity Securities are not issued within 5 ASX trading days of the date in (A) above, the date on which the Equity Securities are issued.

(ii) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (G) 12 months after the date of this Meeting; and
- (H) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(iii) **Risk of Voting Dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact, where the number of Shares on issue (Variable A in the formula) changes and the economic dilution, where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.012 50% decrease in Issue Price	\$0.024 Issue Price	\$0.048 100% increase in Issue Price
64,578,250 (Current Variable A)	Shares issued - 10% voting dilution	6,457,825 Shares	6,457,825 Shares	6,457,825 Shares
	Funds raised	\$77,494	\$154,988	\$309,976
96,867,375 (50% increase in Variable A)	Shares issued - 10% voting dilution	9,686,738 Shares	9,686,738 Shares	9,686,738 Shares
	Funds raised	\$116,241	\$232,482	\$464,963
129,156,500 (100% increase in Variable A)	Shares issued - 10% voting dilution	12,915,650 Shares	12,915,650 Shares	12,915,650 Shares
	Funds raised	\$154,988	\$309,976	\$619,951

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. The current shares on issue are the Shares on issue as at 7 October 2014;
2. The issue price set out above, is the closing price of the Shares on the ASX on 7 October 2014.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed, that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding, depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.

8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (A) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (B) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(iv) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (A) as cash consideration, in which case the Company intends to use funds raised for continued expenditure on the Company's current assets and general working capital; or
- (B) as non-cash consideration for the acquisition of new assets and investments, including/excluding previously announced acquisitions, in which case the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(v) **Allocation Policy under the 10% Placement Capacity**

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (A) the purpose of the issue;
- (B) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (C) the effect of the issue of the Equity Securities on the control of the Company;
- (D) the circumstances of the Company, including but not limited to, the financial position and solvency of the Company;
- (E) prevailing market conditions; and
- (F) advice from corporate, financial and broking advisers (if applicable).

(vi) **Previous Approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its Annual General Meeting held on 23 November 2012 (**Previous Approval**).

The Company has not issued any Shares pursuant to the Previous Approval as at the date of this Notice.

In the past 12 months preceding the date of this meeting the Company issued a total of 8,423,250 which represents 15% of the total number of Equity Securities on issue at 29 November 2014, the date of the last Annual General Meeting.

Date of Issue	Number and Terms of Issue	Names of persons who received securities	Price of Issue and Current Price (Value)	Discount to Market	Total \$ Received	Amount Spent and use of Funds	Intended Use of Remaining Funds
17 September 2014	8,423,250 Ordinary Shares	Issued to Clients of Veritas Securities Limited	Price at time of Issue \$0.021 Price at date of this Notice \$0.024	14.2%	\$176,888	N/A	Working Capital, Colombian operations and evaluating new opportunities

(vii) **Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (A) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (B) the information required by Listing Rule 3.10.5A for release to the market.

4.5 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 4.

5. RESOLUTIONS 5, 6 AND 7 – ISSUE OF SHARES TO RELATED PARTIES

5.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue a total of 1,500,000 Options (**Related Party Options**) to Messrs William Hayden, Andrew Johnstone and Nicholas Raffan (**Related Parties**) on the terms and conditions set out below.

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (i) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (ii) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Related Party Options constitutes giving a financial benefit and Messrs William Hayden, Andrew Johnstone and Nicholas Raffan are related parties of the Company by virtue of being Directors.

In addition, ASX Listing Rule 10.11 also requires Shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

It is the view of the Company that the exceptions set out in sections 210 to 216 of the Corporations Act and ASX Listing Rule 10.12 do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of Related Party Options to the Related Party.

5.2 Shareholder Approval (Chapter 2E of the Corporations Act and Listing Rule 10.11)

Pursuant to and in accordance with the requirements of section 219 of the Corporations Act and ASX Listing Rule 10.13, the following information is provided in relation to the proposed grant of Related Party Options:

- (i) the related parties Messrs William Hayden, Andrew Johnstone and Nicholas Raffan by virtue of being Directors;
- (ii) the maximum number of Related Party Options (being the nature of the financial benefit being provided) to be granted to the Related Parties is;
 - (A) 500,000 Related Party Options to Mr William Hayden;
 - (B) 500,000 Related Party Options to Mr Andrew Johnstone; and
 - (C) 500,000 Related Party Options to Mr Nicholas Raffan;
- (iii) the Related Party Options will be granted to the Related Party no later than 1 month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated the Related Party Options will be issued on one date;
- (iv) the Related Party Options will be granted for nil cash consideration, accordingly no funds will be raised;
- (v) the terms and conditions of the Related Party Options are set out in Schedule 1;
- (vi) the value of the Related Party Options and the pricing methodology is set out in Schedule 2;
- (vii) the relevant interests of the Related Party in securities of the Company is set out below:

Related Party	Shares	Options
William Hayden	Nil	2,500,000 ¹
Andrew Johnstone	150,000	250,000 ²
Nicholas Raffan	Nil	Nil

¹ 2,000,000 Options exercisable at \$1.50 each on or before 30 November 2014; 500,000 Options exercisable at 47 cents each on or before 31 October 2015.

² 250,000 Options exercisable at 10.15 cents each on or before 1 December 2016.

- (viii) the remuneration and emoluments from the Company to the Related Parties for the previous financial year, and the proposed remuneration and emoluments for the current financial year, are set out below:

Related Party	Current Financial Year	Previous Financial Year
William Hayden	30,000	72,834
Andrew Johnstone	80,000	53,333
Nicholas Raffan	30,000	8,750

- (ix) If the Related Party Options granted to the Related Parties are exercised, a total of 1,500,000 Shares would be issued. This will increase the number of Shares on issue from 64,578,250 to 66,078,250 (assuming that no other Options are exercised and no other Shares are issued) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 2.3%.

The market price for Shares during the term of the Related Party Options would normally determine whether or not the Related Party Options are exercised. If, at any time any of the Related Party Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Related Party Options, there may be a perceived cost to the Company.

- (x) the trading history of the Shares on ASX in the 12 months before the date of this Notice is set out below:

	Price	Date
Highest	\$0.10	8 October 2013
Lowest	\$0.017	28 July 2014
Last	\$0.024	7 October 2014

- (xi) the Board acknowledges the grant of Related Party Options to each of the Directors is contrary to Recommendation 8.3 of The Corporate Governance Principles and Recommendations with 2010 Amendments (2nd Edition) as published by The ASX Corporate Governance Council. However, the Board considers the grant of Related Party Options to the Director is reasonable in the circumstances for the reason set out in paragraph (xiii);
- (xii) the primary purpose of the grant of the Related Party Options to the Related Parties is to provide a performance linked incentive component in the remuneration package for the Related Parties to motivate and reward the performance of the Related Parties in their respective roles as Directors;
- (xiii) Mr William Hayden declines to make a recommendation to Shareholders in relation to Resolution 5 due to his material personal interest in the outcome of the Resolution on the basis that Mr William Hayden is to be granted Related Party Options in the Company should Resolution 5 be passed.
- (xiv) Mr Andrew Johnstone declines to make a recommendation to Shareholders in relation to Resolution 6 due to his material personal interest in the outcome of the Resolution on the basis that Mr Andrew Johnstone is to be granted Related Party Options in the Company should Resolution 6 be passed.
- (xv) Mr Nicholas Raffan declines to make a recommendation to Shareholders in relation to Resolution 7 due to his material personal interest in the outcome of the Resolution on the basis that Mr Nicholas Raffan is to be granted Related Party Options in the Company should Resolution 7 be passed.
- (xvi) In forming the recommendations, each Director considered the experience of the Related Party, the current market price of Shares, the current market practices when determining the number of Related Party Options to be granted as well as the exercise price and expiry date of those Related Party Options;
- (xvii) The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 5 to 7.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Related Party Options to the Related Party, as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of Related Party Options to the Related Parties will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

6. RESOLUTION 8 - GRANT OF OPTIONS TO COMPANY SECRETARY

6.1 Background

ASX Listing Rule 7.1 provides that a company must not issue more than 15% of its issued capital in any 12 month period without first obtaining the approval of its shareholders.

To provide the Company with the flexibility to make future issues of securities during the next 12 months, Resolution 8 seeks such Shareholder approval to the issue of up to a maximum of 250,000 to the Company Secretary.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

None of the subscribers pursuant to this issue will be related parties of the Company.

The effect of Resolution 8 will be to allow the Directors to issue the Consultant Options during the period of 3 months after the General Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

6.2 Technical Information Required by ASX Listing Rule 7.3

In compliance with the information requirements of the ASX Listing Rule 7.3:

- (a) the maximum number of Options to be issued is 250,000;
- (b) the Options are free options and will have an issue price of nil;
- (c) the Options will be issued no later than 3 months after the date of the Meeting or such later date as may be permitted by any ASX waiver or modification of the Listing Rules;
- (d) the terms of the Options are found in Schedule 1;
- (e) it is intended that allotment of the Options will occur within one week of the date of the Annual General Meeting;
- (f) the Options will be allotted and issued to the Company Secretary (or his nominee) who assist the Company with corporate governance. The Company Secretary (or his nominee) is not a related party of the Company; and
- (g) no funds will be raised from the issue of the Options.

7. RESOLUTION 9 – SPILL RESOLUTION

As set out above in the Explanatory Statement relating to Resolution 1, the Directors' Report for the year ended 30 June 2014 contains a Remuneration Report which sets out the policy for the remuneration of the Directors and executives of the Company. In accordance with Section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's 2014 Annual Report.

Under the changes to the Corporations Act, which came into effect on 1 July 2011, if at least 25% of the votes cast are against the adoption of the 2013 Remuneration Report at the 2013 Annual General Meeting, and then again at the 2014 Annual General Meeting, the Company will be required to put this Resolution 9 to the Annual General Meeting, to approve calling a general meeting (Spill Resolution).

At the Company's 2013 Annual General Meeting, over 25% of the votes cast were against the adoption of the Remuneration Report. Accordingly, if the outcome of Resolution 1 in this Notice of Meeting is such that at least 25% of the votes cast are against the adoption of the Remuneration Report, the Company is required to put the Spill Resolution to the Annual General Meeting.

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene a general meeting (**Spill Meeting**) within 90 days of the Annual General Meeting. All of the Directors who were in office when the Directors' Report was approved, other than the Managing Director (namely Mr William Hayden, Mr Andrew Johnstone and Mr Nicholas Raffan) will (if this resolution is approved) need to stand for re-election at the Spill Meeting. Following the Spill Meeting, those persons whose election or re-election as Directors is approved will be the Directors of the Company.

If Mr Andrew Johnstone and Mr Nicholas Raffan are re-elected at this year's Annual General Meeting (resolutions 2 and 3 respectively), they will need to be re-elected at the Spill Meeting to remain in office after the Spill Meeting, if Shareholders vote to move to a Spill Meeting if a "second strike" eventuated.

Shareholders may vote against the adoption of the Remuneration Report (Resolution 1), but may still vote against a Spill Meeting being held. If Resolution 9 is defeated, there will be no Board spill and the current Directors will remain and hold office in accordance with the Constitution of the Company.

As a public company is required to have minimum of three directors, the Corporations Act includes a mechanism to ensure that the Company will have at least three directors (including the Managing Director) after the Spill Meeting. If at the Spill Meeting, three directors are not appointed by ordinary resolution, the persons taken to be appointed are those with the highest percentage of votes favouring their appointment cast at the Spill Meeting on the resolution of their appointment (even if less than half the votes cast on the resolution were in favour of their appointment).

The Board believes the passing of Resolution 9 is not beneficial for the Company as it will create uncertainty as to the future of the Company and, in particular, the continued exploration expenditure on the Company's current assets, including the main project in Colombia.

Accordingly, the Directors believe that Resolution 9 is NOT in the best interests of the Company and unanimously recommend that Shareholders vote AGAINST this Resolution.

Instructions for Completing 'Appointment of Proxy' Form

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.

 - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.

 - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish.
