#### YOUR VOTE IS IMPORTANT

---

The business of the Annual General Meeting affects your shareholding and your vote is important.

#### VOTING ELIGIBILITY

---

The Directors have determined, pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth), that the persons eligible to vote at the Annual General Meeting are those who are registered Shareholders at 1:00pm EST on 28 November 2015.

#### VOTING IN PERSON

---

To vote in person, attend the Annual General Meeting at the time, date and place set out above.

#### VOTING BY PROXY

---

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of Condoto Platinum NL; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the members' votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

New sections 250BB and 250BC of the Corporations Act came into effect on 1 August 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this General Meeting. Broadly, the changes mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and

- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes is set out below.

***Proxy vote if appointment specifies way to vote***

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does:**

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

***Transfer of non-chair proxy to chair in certain circumstances***

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of Condoto Platinum NL members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
  - the proxy is not recorded as attending the meeting;
  - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

---

### 1. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 1.1 General

The Corporations Act requires that at a listed company's Annual General Meeting, a resolution that the remuneration report be adopted, must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comment on the remuneration report at the annual general meeting.

#### 1.2 Voting consequences

Under changes to the Corporations Act, which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders, to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report, and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second Annual General Meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting, those persons whose election or re-election as directors of the company is approved, will be the directors of the company.

#### 1.3 Previous voting results

At the Company's previous Annual General Meeting, the votes cast against the remuneration report considered at that Annual General Meeting, were more than 25%. Accordingly, the Spill Resolution will be relevant for this Annual General Meeting, if at least 25% of the votes cast on the Remuneration Report resolution are voted against adoption of the Remuneration Report. Refer to Resolution 9 for further information.

#### 1.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

***If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy***

***You must direct your proxy how to vote on this Resolution.*** Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority, if a poll is called on this Resolution.

***If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member).***

You ***do not*** need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, you ***must mark the acknowledgement on the Proxy Form to expressly authorise the Chair to exercise his/her discretion in exercising your proxy, even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.***

***If you appoint any other person as your proxy***

You ***do not*** need to direct your proxy how to vote on this Resolution, and you ***do not*** need to mark any further acknowledgement on the Proxy Form.

---

## **2. RESOLUTION 2 - RE-ELECTION OF DIRECTOR – MR WILLIAM HAYDEN**

Pursuant to Clause 11.3 of the Company's Constitution and Listing Rule 14.4 one-third of the Directors (or the number nearest one third) must retire at each annual general meeting, provided always that no Director (except the Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is longer, without submitting himself or herself for re-election.

The Directors to retire are those who have been longest in office since their appointment or last re-appointment or, if the Directors have been in office for an equal length of time, those to retire shall be determined by drawing lots unless otherwise agreed.

A Director who retires by rotation under Clause 11.3 of the Constitution is eligible for re-election.

The Company currently has three Directors and accordingly one must retire.

Mr Andrew Johnstone and Mr Nicholas Raffan (being the directors other than Mr Hayden) were each re-elected at the 2014 Annual General Meeting of the Company, therefore, Mr William Hayden retires by rotation and seeks re-election.

The Board unanimously supports the election of Mr Hayden.

Mr Johnstone has a B.SC (Hon) Economic Geology and Geophysics from the University of Tasmania and a Graduate Diploma in Applied Finance and Investment from the Securities Institute of Australia. He is a member of the Australian Institute of Geoscientists (MAIG) and a Fellow of the Financial Services Institute of Australia (FFin).

The Board unanimously supports the election of Mr Johnstone.

#### 4. RESOLUTION 4 - RE-ELECTION OF DIRECTOR – MR NICHOLAS RAFFAN

Mr Raffan is a qualified geologist with over 35 years experience in company management, mineral exploration, stock broking, funds management and other financial services. Mr Raffan was formally CEO of Sovereign Gold Company Limited and has held directorships at numerous private and public companies.

Mr Raffan is also a resource equities and business cycle specialist, highly sought after for resource analysis and market commentary, and is author of the Raff Report.

In the past, Mr Raffan has worked within financial markets, split between stock broking and portfolio management. #### 5. RESOLUTION 5 – APPROVAL OF 10% PLACEMENT CAPACITY

##### 5.1 General

ASX Listing Rule 7.1A provides, that an Eligible Entity may seek Shareholder approval at its Annual General Meeting, to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**).

The Company is an Eligible Entity.

If Shareholders approve Resolution 5, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in Section 4.2 below).

The effect of Resolution 5 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 5 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 5 for it to be passed.

##### 5.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A came into effect on 1 August 2012 and enables an Eligible Entity to seek shareholder approval at its Annual General Meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (i) is not included in the S&P/ASX 300 Index; and
- (ii) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300 Million.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$1.03Million.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has one class of Equity Securities on issue, being the Shares (ASX Code: CPD).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A, will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of Shares on issue 12 months before the date of issue or agreement:
- (A) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
  - (B) plus the number of partly paid shares that became fully paid in the previous 12 months;
  - (C) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval; and
  - (D) less the number of Shares cancelled in the previous 12 months.
- D** is 10%.
- E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue, that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

### 5.3 Technical Information Required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 5:

(i) **Minimum Price**

The minimum price, at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (A) the date on which the price, at which the Equity Securities are to be issued is agreed; or
- (B) if the Equity Securities are not issued within 5 ASX trading days of the date in (A) above, the date on which the Equity Securities are issued.

(ii) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (A) 12 months after the date of this Meeting; and
- (B) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

**(10% Placement Capacity Period).**

(iii) **Risk of Voting Dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 5 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact, where the number of Shares on issue (Variable A in the formula) changes and the economic dilution, where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.01 50% decrease in Issue Price	\$0.02 Issue Price	\$0.04 100% increase in Issue Price
80,722,750  (Current Variable A)	Shares issued - 10% voting dilution	8,072,275 Shares	8,072,275 Shares	8,072,275 Shares
	Funds raised	\$80,722	\$161,445	\$322,891

\*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

**The table above uses the following assumptions:**

1. The current shares on issue are the Shares on issue as at 23 October 2015.
2. The issue price set out above, is the closing price of the Shares on the ASX on 23 October 2015.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed, that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding, depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (A) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (B) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(iv) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (A) as cash consideration, in which case the Company intends to use funds raised for continued expenditure on the Company's current assets and general working capital; or

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(v) **Allocation Policy under the 10% Placement Capacity**

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (A) the purpose of the issue;
- (B) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (C) the effect of the issue of the Equity Securities on the control of the Company;
- (D) the circumstances of the Company, including but not limited to, the financial position and solvency of the Company;

**6.1 General**

The Company has agreed, subject to obtaining Shareholder approval, to issue a total of 2,400,000 Options (**Related Party Options**) to Messrs William Hayden, Andrew Johnstone and Nicholas Raffan (**Related Parties**) on the terms and conditions set out below.

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (i) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (ii) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Related Party Options constitutes giving a financial benefit and Messrs William Hayden, Andrew Johnstone and Nicholas Raffan are related parties of the Company by virtue of being Directors.

In addition, ASX Listing Rule 10.11 also requires Shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

It is the view of the Company that the exceptions set out in sections 210 to 216 of the Corporations Act and ASX Listing Rule 10.12 do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of Related Party Options to the Related Party.

## 6.2 Shareholder Approval (Chapter 2E of the Corporations Act and Listing Rule 10.11)

Pursuant to and in accordance with the requirements of section 219 of the Corporations Act and ASX Listing Rule 10.13, the following information is provided in relation to the proposed grant of Related Party Options:

- (i) the related parties Messrs William Hayden, Andrew Johnstone and Nicholas Raffan by virtue of being Directors;
- (ii) the maximum number of Related Party Options (being the nature of the financial benefit being provided) to be granted to the Related Parties is;
  - (A) 1,000,000 Related Party Options to Mr William Hayden;
  - (B) 1,000,000 Related Party Options to Mr Andrew Johnstone; and
  - (C) 400,000 Related Party Options to Mr Nicholas Raffan;
- (iii) the Related Party Options will be granted to the Related Party no later than 1 month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated the Related Party Options will be issued on one date;
- (iv) the Related Party Options will be granted for nil cash consideration, accordingly no funds will be raised;
- (v) the terms and conditions of the Related Party Options are set out in Schedule 1;
- (vi) the value of the Related Party Options and the pricing methodology is set out in Schedule 2;
- (vii) the relevant interests of the Related Party in securities of the Company is set out below:

Related Party	Shares	Option 47 cents exp 31/10/2015	Options 10.15 cents exp 01/12/2016	Options 2.1 cents exp 17/11/2017
William Hayden	Nil	500,000	Nil	500,000
Andrew Johnstone	500,000	Nil	250,000	500,000
Nicholas Raffan	Nil	Nil	Nil	500,000

the remuneration and emoluments from the Company to the Related Parties for the previous financial year, and the proposed remuneration and emoluments for the current financial year, are set out below:

Related Party	Current Financial Year	Previous Financial Year
William Hayden	23,989	106,230
Andrew Johnstone	82,943	59,720
Nicholas Raffan	32,943	8,750

- (viii) If the Related Party Options granted to the Related Parties are exercised, a total of 2,400,000 Shares would be issued. This will increase the number of Shares on issue from 64,578,250 to 66,978,250 (assuming that no other Options are exercised and no other Shares are issued) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 3.72%.

The market price for Shares during the term of the Related Party Options would normally determine whether or not the Related Party Options are exercised. If, at any time any of the Related Party

Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Related Party Options, there may be a perceived cost to the Company.

- (ix) the trading history of the Shares on ASX in the 12 months before the date of this Notice is set out below:

	Price	Date
Highest	\$0.025	15 September 2014
Lowest	\$0.010	28 April 2015
Last	\$0.020	22 October 2015

- (x) the Board acknowledges the grant of Related Party Options to each of the Directors is contrary to Recommendation 8.3 of The Corporate Governance Principles and Recommendations with 2014 Amendments (3rd Edition) as published by The ASX Corporate Governance Council. However, the Board considers the grant of Related Party Options to the Director is reasonable in the circumstances for the reason set out in paragraph (xiii);
- (xi) the primary purpose of the grant of the Related Party Options to the Related Parties is to provide a performance linked incentive component in the remuneration package for the Related Parties to motivate and reward the performance of the Related Parties in their respective roles as Directors;
- (xii) Mr William Hayden declines to make a recommendation to Shareholders in relation to Resolution 6 due to his material personal interest in the outcome of the Resolution on the basis that Mr William Hayden is to be granted Related Party Options in the Company should Resolution 6 be passed.
- (xiii) Mr Andrew Johnstone declines to make a recommendation to Shareholders in relation to Resolution 7 due to his material personal interest in the outcome of the Resolution on the basis that Mr Andrew Johnstone is to be granted Related Party Options in the Company should Resolution 7 be passed.
- (xiv) Mr Nicholas Raffan declines to make a recommendation to Shareholders in relation to Resolution 8 due to his material personal interest in the outcome of the Resolution on the basis that Mr Nicholas Raffan is to be granted Related Party Options in the Company should Resolution 8 be passed.
- (xv) In forming the recommendations, each Director considered the experience of the Related Party, the current market price of Shares, the current market practices when determining the number of Related Party Options to be granted as well as the exercise price and expiry date of those Related Party Options;
- (xvi) The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 6 to 8.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Related Party Options to the Related Party, as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of Related Party Options to the Related Parties will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

### Instructions for Completing 'Appointment of Proxy' Form

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**
  - **(Individual):** Where the holding is in one name, the Shareholder must sign.
  - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.
  - **(Power of attorney):** If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
  - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
5. **(Return of Proxy Form):** To vote by proxy, please complete and sign the enclosed Proxy Form and return by:
  - (f) post to the Company, PO Box 52, West Perth, WA, 6872; or
